

Micropac REACH Compliance Declaration January 2016

Micropac Industries, Inc. certifies that to its knowledge our products conforms to the European Union (EU) legislation known as the **Registration, Evaluation, Authorization and Restriction of Chemicals (REACH)** regarding the 168 SVHCs currently on the Candidate List as of December, 2015.

This certification is applicable to the following Micropac product(s) listed below.

This certification is based on Micropac's understanding of REACH, Micropac's knowledge of the materials utilized in the processing and assembly of our products, any applicable analysis of our product, and information provided by Micropac's suppliers and/or other third party providers.
